

**ADDENDUM
PURCHASING OFFICE
CITY OF AUSTIN, TEXAS**

Solicitation: IFB 8100-DCM1029

Addendum No: 2

Date of Addendum: 06/25/2020

This addendum replaces Price Submission Sheet.

I. Clarifications:

1. Delete Price Submission Sheet and ***Replace with Price Submission Sheet Revision 3 (062620).***
2. Delete Scope of Work and ***Replace with Scope of Work Revision 2 (062620)***

II. Questions:

- Q1: Please clarify if the 400hz replaceable contact sections are to be provided with or without thermal protection.
- A1: Price Submission Sheet Revision 3 (062620) has been revised to include thermal protection.
- Q2: We ask that you please change the specifications to allow equivalent PAGE GSE models, or include language such as "or equivalent brand models that meet the required fit, function, and performance criteria", and to allow for the bidder to list the alternate model number on, or attached to, the Price Submission Sheet, along with the necessary datasheets to support equivalency.
- A2: Price Submission Sheet Revision 3 (062620) has been revised to include Buyer Approved Equal.
- Q3: I noticed that Addendum 2, Price Submission Sheet Revision 2, had a change made to Category 3 Miscellaneous Replacement Parts removing 2 items. Price Submission Sheet Revision 2, Line Item 3.2 lists part 40051 which is the one of the part numbers we cannot locate without further details on specific equipment types. Is it possible for me to overwrite the part number and description field?
- A3: Price Submission Sheet Revision 3 (062620) deletes Category 3 Miscellaneous Replacement Parts in its entirety.

III. ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
